

## CURRICULUM VITAE

**Name:** Aleksandra RAŠKOVSKA

**Date/place of birth:** 04/1/1983; Skopje, Republic of Macedonia

**Address:** Jane Sandanski 67/2-7,  
Skopje, 1000,  
Republic of Macedonia

**Tel.:** +389 2 2455 747;  
**Mob.:** +389 70 977 999;  
**E-mail:** araskovska@yahoo.com

### Education:

**BSc:** Institute of Chemistry, Faculty of Natural Science and Mathematics, GPA: 9.27/10

**Present status:** MSc course student at the Institute of Chemistry, Faculty of Natural Sciences and Mathematics (supervisor: Prof. B. Minčeva-Šukarova)

### Professional experience:

from May 2007

#### Graduate Research Fellow

Sts. Cyril and Methodius University, Skopje, Macedonia

**FP6 - PROJECT PL 043642 - FORCA SPECLAB**

“Reinforcement of the Research capacities of the Spectroscopy Laboratory for Archaeometry”

### Seminars and workshops:

October, 2005 VI Congress for Pure and Applied Chemistry for the students from Macedonia.

May, 2005 PRIMATIJADA 2005, Budva, Montenegro

### Trainings:

June-August, 2005 North Carolina State University-Raleigh, North Carolina, USA, (title of the project: *Effects of polysaccharides and salts on thermal stability of bovine  $\beta$ -lactoglobulin and  $\alpha$ -lactalbumin*)

August-October, 2004 Faculty of Chemistry, PUC-Campinas, SP –Brazil, (title of the project: *Epoxidation of carvone without solvent catalysed by the system hydrogen peroxide-manganese(IV) complex-carboxylic acid*)

### Projects:

2004-2006 “Minerals from Macedonia – Spectroscopic and Structural Identification and Characterization” - Institute of Chemistry, Faculty of Sciences and Mathematics
